

85 Series Balances

5/8" TILT TUBE BALANCE 9/16" but considered 5/8" in the trade.

Ordering Information

1. Measure metal tube length. (Do not include nylon bearing.)
2. Identify color of bearing (e.g. red, blue or black) and select corresponding part number from the chart below.

Note: Accessories must be ordered separately.

General Information

1. Maximum tube balance length available is 60".
2. Red and blue bearings are for sashes weighing up to 30 lbs; the black bearing with the nyclad tip is for sashes weighing up to 40 lbs.
Please consult your sales representative for special ordering information.
3. In most cases red bearing can be used in place of white bearing.
Check with sales representative for availability of white bearing.
4. Now Available in White.
5. The appropriate tensioning tools are 85-511 and 85-515.
6. All rod lengths are standard.
